Move N' Grooove Dance Studio is proud to partner with Johnny Brown as the official supplier for all our dance attire, dance shoes, and dance accessories.

Johnny Brown offers a partnership program with dance schools across Canada to help parents and dancers get their official school dance wear by visiting a new online boutique made specifically for our school and available on our website: movengrooove.johnnybrown.ca

There are several benefits to make your shopping easier:

- No more fitting sessions in September only. You can order your dance wear online throughout the season
- No minimum purchase required
- Competitive prices, great quality (Capezio, Danskin, Mondor, etc.)
- Home delivery within a short window of 3 working days
- You will easily find the dance wear and shoes to buy for your dance class. Every package will be identified on the eshop website to help you find the exact items you need for: Ballet, Tap, Jazz, Hip Hop, Modern, Acro, etc.
- Easy-to-use size charts
- Interactive live chat to answer questions

Moreover, samples of shoes will be available at our dance school throughout the season for sizing purposes. We will keep you informed of the online boutique launch date and we will give you all the necessary information to make your first online purchase!

Thank you !
